Description

Eagle Canyon Country Club is a top standard 18-hole golf course with a rating of par 72, with a driving range, and was remarkably constructed out of an old sand quarry. The course was constructed by "Wonder Gardens" and was designed by the very talented Douw van der Merwe. The course plays along the Canyon cliffs, along and over beautiful water features, with the clubhouse perched on the highest point with a full view of all 18 holes. Enjoy your game.
