Description

At Four Seasons, we believe in recognizing a familiar face, welcoming a new one and treating everyone we meet the way we would want to be treated ourselves. Whether you work with us, stay with us, live with us or discover with us, we believe our purpose is to create impressions that will stay with you for a lifetime. It comes from our belief that life is richer when we truly connect to the people and the world around us. High up on the rocky Witwatersrand – or as we call it here in Jozi, the Rand – is where you'll find us. Despite being in the middle of South Africa's largest city, our Westcliff Hotel feels like a chic hillside village, with nine sun-splashed villas woven with courtyards, fountains and gardens. Take a ride up our glass elevator for dinner and drinks at View, meet friends for a traditional braai (barbecue) at Flames, or simply step out onto your room's balcony to enjoy a quiet moment as you admire the endless canopy of jacaranda trees that stretches out before you, which, come springtime, will blanket our northern suburb streets in a sea of purple blooms.
