About Us

Founded by Marc Geldhof in 1991, our chocolates have been tantalising the taste-buds of South Africans for nearly 30 years.
With five stores in Johannesburg, two stores in Cape Town, and one in Umhlanga our mission for excellence has been carried through to all of our outlets – making it easier than ever to satisfy your confectionery needs.
With an unrivaled array, and decadent taste, Geldhof Chocolatier continually strives to bring our customers a step closer to cocoa paradise.
